

TWO TRAVELERS

WINE BAR

MERCHANT

EST. 2023

Welcome

Welcome to Two Travelers Wine Bar + Merchant. Our wine program was built upon the belief that great wine is found around the world at every price point, from small farmers to established producers. We search out wine that is produced with farming practices that are organic, bio-dynamic, regenerative, dry farmed, and sustainable in practice. Our wine list is constantly rotating as we discover new wine to bring into the wine bar. We also have many off menu selections if you are looking for something special tonight. If there is a bottle that you would like to bring home with you, we offer most bottles of wine at 20% off menu price for all retail sales.

Our Philosophy

We believe that wine has the power to transport you to a different place and a different time; to evoke memories and emotions of our very best times together. Each bottle tells its own story, and it's our mission to share those stories with our guests, to educate and inspire you through the wine that we serve and the stories that we tell through each bottle. Our hope is that we can be a place of respite for you- a place where we can truly reconnect with what is important in this life, our relationships with each other. Welcome to Two Travelers.
